

The Dupont Hotel--Wilmington, Delaware

Richest per room ever built.  
For mistresses, of course.

What is the love  
of a beautiful woman  
worth, what is love worth,

and what, beauty? These men  
shouldering the fetid pack  
of commerce, making  
compromises enroute

that themselves reeked.  
Perhaps this was their best,  
their evanescent taste resembling life.
